Since you have opted out of Courtesy Pay Overdraft Privilege, to protect yourself from having your insufficient funds (NSF) items returned unpaid, we recommend that you designate adequate checking account overdraft protection from your other RiverLand accounts. You may designate checking overdraft protection from as many as four of your RiverLand accounts including Savings, Money Market Savings, and Revolving Credit Loans.

### Designate Checking Overdraft Protection from Your RiverLand Accounts

RiverLand Credit Union may transfer available funds from my designated account(s), in the order that they are listed, to pay a check or EFT item (WriteCard debit card transactions will not transfer funds from designated overdraft accounts). If there are insufficient funds in the first account designated, overdraft protection may utilize funds from more than one designated account to clear a single item, and each transfer will incur a service fee as disclosed in the current rate and fee schedule. By completing this form you will establish new overdraft protection and all prior overdraft designations will be discontinued so be sure to include all accounts from which you would like overdraft protection.
